## ***From the desk of our Executive Director Anita Bowen***

I seriously thought about not writing a column this month. Time just got away from me and there's always plenty of great material to fill the Senior Sounds newsletter. But then, I thought about all of the individuals out there who have shared with me how much you enjoy

reading my thoughts in each issue, and I changed my mind. You all have been such an encouragement to me to continue doing something that I love, so...I got busy writing.

In talking to me about this little write-up that I do every other month, you also have shared about the activities, events and programs that you enjoy the most at BCSSI. With so much going on, all staff members can't experience each of them with you, yet we sure would love to capture the moments as we finish up 2019 in a flurry of fun! That way, we won't feel like we're completely missing out if we are not physically in the moment with you.

So, here's what we are going to do. You are invited to participate in the ***BCSSI Happy Moments Selfie Project '19!*** Now is the time to raise that cellphone camera during any and all of your favorite BCSSI happenings in November & December and text them to me at (765)426-9848. You might be having lunch with a group of hungry folks at Lunch and Learn, loading up

a van or bus for a day trip adventure or joining with other students to work on a project in our computer room; hanging out with other artisans in Lebanon and/or Zionsville for the weekly art class, chatting about the current read during Book Club, working on something unique at Classy Crafters...or doing one or several other things during this holiday season with us! Truly, what we want is simply to see YOU with a smile on your face enjoying the **BCSSI Happy Moments** as we finish out another year together.

**All photos received by Friday, December 20<sup>th</sup> at (765)426-9848 will be entered into a drawing for a festive gift card package!!** You may enter more than once --- by sending photos from DIFFERENT activities and programs, but only the person sending the photo will be entered. Let me know if you have any questions. **The drawing will take place on Monday, December 23<sup>rd</sup> and the winner will be notified.**

*Remember to include your full name when you send the photo to me, and do NOT send it if you don't want it used for this fun contest and in our marketing materials.*

I hope to get lots of photos in the coming weeks!! I also want to wish you, your family and friends a very Merry Christmas Season.

Until Next Time, *Anita*

**Thank you Witham Health Services for the fun fall fashion show during a recent Lunch & Learn.**

These beautiful ladies modeled clothing, handbags and accessories that are all sold in the Waterfall's Edge Gift Shop and the Pavilion Boutique located inside Witham Health Services.

**Classy Crafters** enjoyed learning how to make Spinner Gourd necklaces and ornaments thanks to Karen Niemeyer from the Sugar Creek Gourd Patch and IN Gourd Association. **Classy Crafters meets monthly at BCSSI.** Turn to page 9 for details on an upcoming class.

**Muffins and Masterpieces** participants created beautiful fall paintings thanks to the instruction of artist Shirley Luttrell (seated).

**Thank you Homewood Health Campus** for sponsoring this special activity.

**Theater Thursday wrapped up the movie season with an average of 141 attendees per movie!**

Thank you to our 2019 attendees for making our Theater Thursdays a success! BCSSI looks forward to hosting this popular event again in 2020! **Thank you to the ladies from Excel Home Health Care, Guardian Angel Hospice and Homewood Health Campus** for your sponsorship.

**Thank you Lana Hale** (far left), co-owner of Mount's Flowers in Lebanon for the awesome **Fall Pumpkin Centerpiece class!** It was so much fun to see each individual's creation at the end of the evening.

**Coffee Connection 2 Community** enjoyed a special surprise visit from **John Cowan, Pharmacist** and co-owner of Parkside Pharmacy and Cowan's Cubbard in Lebanon. Thank you John for attending and answering questions from our attendees.

**Lebanon resident and BCSSI volunteer Mildred Flanary** led a sing along during Lunch & Learn this summer. Mildred is 99 years young and is the grandmother of BCSSI staff member and Director of Development Sonya Flanary Shoup. Thank you Mildred for sharing your time and talent with us.

Who wouldn't feel fabulous after an afternoon **"Tribute to Elvis"** with Roy & Julia Reynolds!?! **Thanks to the Community Foundation of Boone County and Psi Iota Xi - Omega Chapter** for their support of our Lunch & Laugh series! Ideas for entertainment are always welcome!

# The Theme for National Family Caregivers Month November 2019 is #BeCareCurious

Family caregivers want their loved ones to have the best care possible at the doctor's office, at the hospital and at home. We encourage family caregivers across the country to ask questions, explore options and share in the care decisions that affect the health and well-being of their loved ones.

## #BeCareCurious About

**Your Loved One's Goals:** You know your loved one better and spend more time with them, than anyone else. Talk to them about what their goals are for treatment and their care in general. It can be hard to talk about goals when facing a disease. But these talks help make sure your loved ones are getting the care they want.

**Treatment Options:** Is your loved one responding well to treatment? If not, ask your doctor if there are other options. New treatments are available every day. Whether it's a different dose, a new medication, or a new procedure, speak up and ask your doctor if there are options you and your loved one should consider.

**Research:** The internet is a great research tool, but it can also be full of conflicting and even dangerous advice, so don't stop there! Be curious about that article you just read. Is it from a reliable source? Talk to friends, family and doctors to ask as many questions as possible to learn about your loved one's condition.

**The Care Plan:** If your loved one is in the hospital, be sure to ask what happens next. Will they need home care after being discharged? Are there new medications or procedures you will need to manage at home? Will you be trained on what to do and how to do it? A lot of care happens at home and you need to be prepared to provide that care.

**Coverage:** Don't be shy about asking questions about insurance coverage. Is your parents' Medicare plan the best option or should you change plans during open enrollment? Was a medication switched for a medical reason, or because your insurance no longer covered it? If coverage was denied, what can you do to change their minds?
