From the desk of our Executive Director Anita Bowen

I try to go to the Witham Family YMCA to exercise on my lunch hour a few times each week. I am better about getting there during the cold or rainy days because I prefer to exercise outside when the weather is nice. This winter, upon one occasion, as I checked in at the Y, a member of their team

commented that “I was early today”. I was a little earlier than normal, and I knew that, but I was surprised that anyone there had noticed. It gave me a reason to pause and be thankful that someone was paying attention and cared that I was there at all. And then, someone called my name one day when I left the Y, and I paused again. I am a part of the YMCA Family.

So, I reflected on “our place”. Do you feel a part of the BCSSI Family?

At BCSSI, we miss you when you’re not here, and we appreciate it when you update us on things going on with yourself as well as those in your circle of friends. As long as it’s not private information, we love staying connected to our customers even when you/they can’t physically be in our place(s). Whether away for fun & play or sickness & recovery, we care about you and look forward to the next time that you will join us at BCSSI.

If you are new (or haven’t even joined in a program or activity yet), please introduce yourself to us so that we can get to know your name. It may take us awhile to get it right since we interact with hundreds of different people in our activities each year (approximately 714 in

2019), but we won’t stop trying! Each and every one of you who come through our doors in Lebanon and Zionsville are special to us and, quite frankly, we wouldn’t be here if it weren’t for all of you.

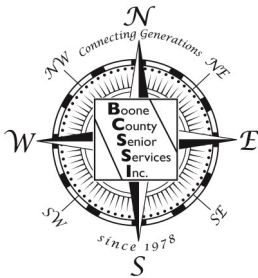

Now that spring is just around the corner, we are looking forward to hosting more activities and programs in both of our locations, and there will be plans in 2020 to have some fun in other places, too. The more you come around, the better we will get to know you...and you will get to know us. One activity that resumes in March every year is our Theater Thursdays, and we’d love to get a grand crowd at the Lebanon 7 Theater on Thursday, March 19th @ 9 a.m. for the movie (comedy) *Poms*, rated PG-13. See the entire listing of 2020 Theater Thursday movies in this issue of Senior Sounds. If you bring someone new to the movie with you, and introduce them to me, each of you will get a prize! I’ll look forward to seeing you there!

In April, we’ll be hosting our annual Art & Photography Contest sponsored by Homewood Health Campus at the Lebanon Public Library. Now, maybe you are thinking to yourself that you are not an artist, but I know that many of you like to take photographs. That works! If you have a photo that you particularly like, give us a call and let’s talk about how you can get it entered. We’d really like to increase the number of entries this year, so please spread the word.

Until Next Time, *Anita*

BCSSI 2020 Annual Celebration

Charting Our Course

BCSSI hosted its 2020 Annual Celebration on February 19th. Community members, board members and staff celebrated the agency's 2019 accomplishments.

*Attendees enjoyed a delicious breakfast prepared by Shoup's Country Foods. **Anita Bowen, Executive Director, gave her annual update....below is a summary of her remarks.***

"Have you ever experienced a "let down" after a major event or celebration in your life? All of the activity and frenzy leading up to it and then... it's over and you're not sure what to do with yourself. You all may remember that 2018 was a BIG, BIG year for BCSSI as we celebrated our 40th anniversary...all year long. So, when we entered 2019, would our emotions be down? Would we not know how to handle that 41st year? Oh no, we entered the year robustly armed with a brand new 5-year Strategic Plan that would "Chart Our Course" for 2019 and beyond. At BCSSI, all of you, including our team of 38 dedicated staff members help us celebrate every year, and quite honestly every DAY because we are privileged to be making such a positive impact in the quality of life throughout Boone County. You are what makes this ship sail. Thank you.

The first year of our Strategic Plan gave us reason to pause as we looked ahead to four exciting goal areas including:

1. Expanding our services and attracting diverse ages
2. Broadening our physical reach
3. Increasing our organizational capacity
4. Developing new revenue sources through a comprehensive development program

(Several successes from the Strategic Plan were shared with attendees.)

The strength of BCSSI and the reasons to celebrate during our 41st year might not have been so visible to those who weren't directly involved because we weren't touting a landmark anniversary, but they sure were just as important. Together with all of you in this room (and many who couldn't be with us today), we kept on course and all parts of our vessel (if you will) whether aft, bow, port or starboard sides played a role. With our strategic plan as the rudder to guide us, and lots of good weather (our customers and community partners), we experienced a very positive year. It's not that it wasn't without obstacles like aging vehicles in our transit fleet, changes in United Way funding, maintenance concerns for a building that is no longer "new", and personal loss and illness amongst our village, but these challenges made us stronger. They will always make us stronger."

Thank you for your support during 2019 and giving BCSSI the opportunity to serve more than 2,600 individuals through a variety of services and programs. To receive a copy of our annual report please contact our office at 765-482-5220 or 317-873-8939 or go to www.booneseniors.org.

A tax deductible gift to the Agency or Foundation will ensure that these services can be continued into the future

Call 765-482-5220 or 317-873-8939 • www.booneseniors.org

BCSSI and the Boone County Senior Services Foundation (BCSSF) have recently implemented a Planned Giving program. The goal of the Planned Giving program is to give donors the power to leave a legacy gift that will make an impact on Boone County's growing senior population and make certain BCSSI can continue to offer its valuable services well into the future.

In 2020, the BCSSF has a goal to locate 20 individuals or families that will serve as the founding members of our Legacy Program. By making their intent known, their name will be placed on a beautiful, hand-crafted Legacy Tree that has recently been installed in our Lebanon office lobby.

The Legacy tree was designed and created by metal artist Craig Voight of Craig Voight Concepts. Craig is from Mooresville and is a Battalion Chief with the Pike Township Fire Department. He has been a Firefighter for more than 28 years and served with

BCSSF board member and retired fireman Paul Mohler for many of those years. Paul is who connected the BCSSF to Craig and his talented work.

Craig has worked with metal for fifteen years but has become more involved in the last five years. He first became interested in metal design

due to his love of motorcycle building as well as encouragement from his fellow fireman. For our Legacy tree, Craig used three, 4 feet by 8 feet sheets of hot rolled steel and for the patina he used a black-mill scale, along with a copper sulfate mixture applied to the surface. He then used his artistic design to scuff the surface to bring more character and texture to the leaves. It took Craig about twenty hours to create the Legacy tree.

Craig is married and has two daughters and one step-daughter. He is also a new grandfather. ***BCSSI would like to thank Craig for this time and talent for this very special project!***

If you would like to learn more about leaving a Legacy gift, please contact BCSSI. We will be happy to talk through how you can make a difference in the future of seniors in Boone County.

Recipe Submitted By: Sharon Walker

1-18 oz. Devil's Food cake mix*
1 1/3 c. water
1/2 c. vegetable oil
3 eggs
8 oz. caramel topping

14 oz. can sweetened condensed milk
1 c. butterfinger candy bar, crushed
12 oz. frozen whipped topping, thawed
8 oz. cream cheese, softened

Preheat oven to 350. Lightly spray a 13x9 pan with cooking spray. Mix cake mix, water, oil, and eggs with an electric mixer on low speed for 1 min., scrape sides and mix at medium for 2 more mins. The batter should be thick and well blended. Pour into prepared pan. Bake until the cake springs back when lightly pressed with your finger and just starts to pull away from the sides of the pan, 35-38 mins. While cake is baking, prepare the topping. Place caramel topping and condensed milk in a bowl and stir to combine. Place baked cake on a wire cooling rack. Immediately poke holes in the top of the cake with a straw or chopstick. Spoon topping over the warm cake. Sprinkle half of the crushed candy bar over the cake. Place whipped topping and cream cheese in a large bowl and blend with an electric mixer until smooth and combined. Spread over cake. Sprinkle with remaining candy pieces. Place cake, uncovered, in refrigerator to chill for at least 20 minutes before serving. Store cake, covered in the refrigerator for up to 1 week.
