From the desk of our Executive Director Anita Bowen

I have missed your faces ... and I really mean it! It is so encouraging to see faces again (not that some of you didn't have really cute masks), out & about these days, I just find myself smiling because I can see the

faces that I've missed behind those masks. With that in mind, BCSSI has changed from masks being MANDATORY to masks being OPTIONAL or your choice for the best interest of your health. We still will be requiring social distancing in our community space and asking you to please stay home if you're not feeling well. The plexiglass partitions will remain in place probably permanently at the Lebanon location. It is also important to note that, if you use Boone Area Transit System (BATS), masks do remain mandatory, as the Federal Transit Authority (FTA) has issued this requirement through at least September 13th. We will certainly keep you in the loop if this changes.

So...where are some of your favorite places throughout Boone County that you plan to "show your face" this summer? Perhaps you will get out to enjoy one or more of the Farmer's Markets, a youth baseball and/or softball game; Seashore Water Park, a summer concert, a movie at M.E.L.S. Drive-in theater...or, coming highly recommended by me, a treat at one of our many local ice cream spots! You are highly likely to see MY face there. Did you know that you can get a weekly list of

things to do in our communities at the Boone EDC website www.betterinboone.org? This list highlights activities going on throughout the area for each weekend. Remember that if you need access to a computer, give us a call and you can schedule time to research this web site and/or do other computer work.

At BCSSI, we hope you have Theater Thursdays on your radar as returning to the Lebanon 7 Theater on Thursday, July 15th @ 9 a.m. You can find the complete list of movies going through December 2021 in this issue. Please note that we will not know the capacity limits for the theater until closer to the movie date. This holds true for the BCSSI Olympics, too, so please keep an eye out for updates on our social media pages: Facebook, Instagram and Twitter or give us a call.

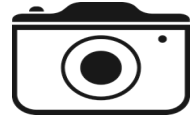

Lastly, please come see us at the Zionsville Town Hall as of July 9th! We are so excited to get back into a space there and will be hosting Lunch & Learn + Crafts there starting in August. We will be re-building activities in Zionsville and sure hope you will help us do that. We'll also be following all of the Town's protocols for health & safety once we re-open.

Other than constant chapped lips from extensive mask-wearing, I don't think my face has changed much. I hope you'll still recognize me and won't mind me being really excited to see you. I really have missed your faces.

Until Next Time, *Anita*

Making Charitable Gifts Through Your Retirement Assets

Once upon a time, giving was pretty simple: we wrote a check and kept the gift receipt for our federal income tax deduction at the end of the year. Now, tax rules are more complicated and more than 80% of us aren't able to itemize our federal taxes and receive a tax deduction for our charitable good deeds. We can still make a difference and give back to our community and, with a little creativity and planning, we can still reduce the taxman's bite.

One way to help Boone County Seniors at this critical time is through gifting retirement assets.

Here is how it works: funds held in your 401(k) or 403(b) plan will be fully taxed if withdrawn for your use, or at your death. You are also required to take an annual amount from your retirement assets each year, once

you are 72, called a Required Minimum Distribution (RMD).

You can, however, make a gift of retirement assets directly to the Boone County Senior Services Foundation, Inc. (BCSSF) (or multiple charities) and avoid federal tax liability. **If you're 72 or older this year, you can give any amount, up to a total of \$100,000, directly from your retirement plan assets to charity (but not to a donor-advised fund) in what's known as a Charitable IRA Rollover or Charitable Qualified Distribution.** Your plan administrator or Financial Advisor will know how to make this happen. It is simple and easy.

This distribution counts toward your Required Minimum Distribution but isn't included in your adjusted gross income. The transfer must be made directly from your IRA to the charity to count as a Qualified Charitable Distribution; you cannot withdraw the money first and write a check later. Ask your Financial Advisor or 401(k)/403(b) plan administrator how they handle these transactions and you will see how easy it is. If you have check-writing privileges on your IRA, some let you write a check to the charity. Be sure to let the BCSSF know the money is coming so they can send you the confirmation you will need at tax time.

We are proud and happy to live in a community that has an outstanding senior service organization. For Boone County residents to help maintaining BCSSI, funds can be directly contributed from your personal IRA without taxation. We encourage donors over 72 to use this method when you make your contribution.

CICF

A recent report from the Central Indiana

Senior Fund (CICF) on the “State of Aging in Central Indiana” was shared with BCSSI this spring. Some of the interesting key findings from the report include:

- The older adult population in Central Indiana is increasing at six times the rate of the younger population.
- Four in ten older adults live alone.
- Nearly 1/5 of adults of traditional retirement age continue to work outside the home.
- Older adults face barriers attaining and maintaining a job, such as the ability to effectively use technology.
- Indiana’s overall food insecurity rate is significantly higher than the national rate and has continued to increase over the past decade.
- Adults age 62+ experienced an increase in homelessness by 1/3 between 2019 and 2020.
- Only one in four older adults in Central Indiana positively rates the ease with which they can use public transportation in their communities.
- Two-thirds of older adults report not knowing about necessary services to assist them in remaining in their homes and communities.
- Approximately one in three older adults in Central Indiana reports feelings of loneliness or isolation, and this is likely more prevalent among older adults experiencing poverty.
- Four out of five older adults in Central Indiana provided care to a friend or loved one, and two in five provide care to someone over age 60.

Sharing with your loved ones can help with your memory care...

Oftentimes unacceptable behavior in a person living with Dementia or Alzheimer’s is a result of the person trying to communicate. Knowing their triggers and things that make them happy or give them comfort can be a useful tool in a caregivers toolbox. Write down & share the following information about yourself with your loved ones. It could play a major role in your memory care plan should you need it in the future. Another great tip, store this information in your family emergency binder.

- Your pet peeves
- Your deepest fears
- Things that set your soul on fire or make you happy
- Current or past hobbies
- Comfort items
- Create a playlist of your favorite songs (music works your entire brain)

BCSSI Spotlight Boone Area Transit Riders Linda Jones & Cherie Dailey

Let's face it, if you don't have access to reliable and safe transportation it can be challenging getting to your medical appointments, the grocery, visiting friends or family or even doing something fun or social for yourself.

Linda Jones, who has lived in Lebanon for most of her life, started using BATS (Boone Area Transit System) about a year ago

because she was not able to drive due to her health and using a walker. Linda, who is very active, also enjoys riding with her friend, and fellow BATS customer, Cherie Dailey.

Cherie encouraged Linda to use the public service. Cherie has used BATS since 2016 and uses it multiple times per week. Both ladies use BATS for not only

personal errands but also for various activities or visits they have around the community.

Linda has used BATS to take her to medical appointments and to the dentist and to BCSSI activities such as Lunch and Learn. She plans to start using BATS at least a couple of times each week for more personal errands which will also include a regular trip to the Witham Family YMCA so she can continue her exercising.

"The drivers are all fantastic and sweet and help me with my walker. They are very accommodating and so gracious. I feel more safe using BATS than I do others and that includes during the quarantine".

Linda is a retired preschool teacher and was married to the late Vic Jones who taught at Lebanon Schools for more than 30 years. They moved to Lebanon after college and she has loved living in Lebanon for more than 60 years. Her daughter Vickie Daupert works for the Personal Service team at BCSSI. Linda is also a BCSSI Olympics cheerleader and enjoys using her creativity to dress up during the agency's fun activities during the year. Linda is an active volunteer and she has enjoyed helping Cherie deliver her "Prayer Bears" to those who may be ill or in the hospital.

Thank you Linda and Cherie for using BATS!

Boone Area Transit System "BATS" is open to all ages of Boone County residents.

1 package cream cheese, room temp.
1 tub whipped topping
2 yogurts (same flavor as berries)

1-2 c. berries
1 graham cracker pie crust

Mix cream cheese and yogurt with hand mixer until smooth. Add in 3/4 of the tub of whipped topping. Mix slowly until it is all a consistent color. Fold in fresh berries (if using strawberries, cut into smaller pieces). Pour into graham cracker crust and smooth it out. Spread last bit of whipped topping on top. Cool in fridge at least 2 hours prior to serving. *Works great to make a day ahead.

Notes: Try combinations like strawberries and strawberry yogurt, blueberries and blueberry yogurt or raspberry and raspberry yogurt. Cut a few calories by using fat free or low fat options of cream cheese, yogurt and whipped topping.
