Bocoseniors

From the desk of our Executive Director Anita Bowen

Do you have any regrets in your life? I have recently been pondering this question and trying to sort out the difference between what could have been a regret, but maybe now that I am older and wiser (wink-wink), I'm realizing that these experiences that I have had in the past

were there for a reason and have turned into a life lesson and growth opportunity rather than a regret. In other words, if I made a bad choice, that was a lesson and I learned from it and grew because of it being a part of my path. In contrast, if I didn't act on a nudge to reach out to or go see someone whom I care about at a difficult time in their life or at the end of their life, that would certainly (for me) be a pretty significant regret. I also think there are opportunities presented to each of us at different times in our lives that we need to act on, or they could become life regrets.

Recently, my family and I went on a modified spring break that got changed due to circumstances beyond our control. It was my son's last high school spring break. Therefore, I felt compelled to do **something** together with him as a family to experience this "last." I feel like this would have been a regret if I had not followed through on this opportunity to find something else for us to do that he would enjoy. Something that didn't just please me – I would have been at the beach – but that focused on him at this time in his life. If you've been reading this column the past few years, you probably know what happened... we ended up somewhere close to a baseball field watching one of his dear friends play the game that we've all come to love. It was a

fabulous few days together making memories that I will treasure forever. I thanked my son for spending time with us once we returned. He thanked us for taking him. No regrets.

I guess my reflection time this spring is extra heightened since graduation is just around the corner (as everyone keeps reminding me) and I am OK with that. Sometimes we need to give ourselves that time and space to ponder. To wonder. To validate in our minds the difference between a life lesson and a regret. I bet both have been a part of each of your paths, too.

At BCSSI, I think we do a pretty good job of having no regrets in carrying out our mission of promoting independence and providing enriching opportunities for older adults in Boone County. We are always looking for new ways to add value to our community and even if something doesn't work out, we will learn from trying it. Our only regret will be if we don't get the chance to meet someone whom we might be able to help. If you know of someone that hasn't yet connected with us at BCSSI, I hope you will tell them about us. Is there someone you know who has recently stopped driving and might benefit from knowing that Boone Area Transit System can help get them where they need and want to go? Is someone in your circle of friends or family caring for a spouse, parent or another loved one who might not know that we offer support for caregivers including the new **Caregiver Navigator** (big orange binder) that is a tool for being a better informed and organized caregiver? Have you encountered someone lately who just seems isolated and down who might enjoy connecting with others at a BCSSI activity in Zionsville or Lebanon? YOU are our best advertisement, and we are grateful that YOU are in our BCSSI Family. We certainly have no regrets about that.

What a sweet surprise visit from transit rider Kaitlin Morris. Kaitlin is pictured with Asst. Director of Transportation Missy Miller and Director of Transportation Michelle Katsaros. Kaitlin is celebrating 10 years of riding with BATS (Boone Area Transit System). Kaitlin and her mom, Kim, brought a special cake and shared some kind words about BATS.

"Transit is Awesome!" ~Kaitlin Morris
"Transit makes it easy if you need to get kids to places when you are working!! The drivers for BCSSI care about your kids!~Kim Morris

It was a bright sunny day at Lunch & Learn despite the rain outside! Thank you to our friends at Glasswater Creek of Whitestown for the great lunch & amazing entertainment by Jeff Bowen!!! Gladys Dickey, stole the show with her vocal and piano performance & we loved it!!!

Thank you to Grand Brook Memory Care for sponsoring Lunch & Learn and hosting chair exercise with special guest Ashley Steiner from FOX Rehabilitation.

It was all smiles and gratitude when special guests Sheriff Mike Nielsen and Colonel Tony Harris attended Lunch & Learn. Congratulations to Sheriff Nielsen for his many years of service to our community as he completes his term. Thank you to our neighbors CrownPointe of Lebanon for hosting lunch!

It was so awesome to have Boone County Commissioner President Jeff Wolfe visit us. Veteran driver Jim Stevenson and Executive Director Anita Bowen were happy to share about BATS. Give us a call if we can help get you where you'd like to go this spring...765-482-5220.

BCSSI and BATS (Boone Area Transit System) are strengthened by our partners and that starts with the Boone County Commissioners who receive the grant for us to provide transportation for our neighbors of ALL ages!

The Irish phrase "Craic agus Ceol" means live music & good fun. You'll typically see it advertised on pubs & music venues. It certainly describes our fun St. Patrick's Day Celebration "Popcorn & Pickers" with local band and favorite, The Pickers!

Thank you for sending Cindy Elliott out on her new adventure in a big way....!!! Lots of laughs, memories and love filled the room at her recent retirement celebration!!! Congrats on your retirement Cindy! We miss you!

Thank you to the Boone County Historical Society for presenting antique hats during our Zionsville Lunch and Learn. Pictured are Boone County Historical Society members and volunteers Jennifer Spall with four year old son, Edmond (4 yrs. old), and Shirley Neal.

Executive Director Anita Bowen presented the BCSSI, Spirit of Community Award to the Town of Zionsville and Mayor Emily Styron for their long-standing support to BCSSI. Since 2012 the Town Hall has hosted a small office for BCSSI and several activities and programs.

Thank you to the Community Foundation of Boone County for selecting BCSSI to receive a 2022 Impact Matching Grant up to \$30,000! Help BCSSI meet our goal of matching this grant by making a personal donation to BCSSI between May 1-September 1, 2022. Donations can be mailed to BCSSI, 515 CrownPointe Dr., Lebanon, IN 46052. Thank you for your support!

Meet Our Staff...

Michelle Katsaros **Director of Transportation**

Michelle has been with BCSSI for five years. She was a driver for three years before taking the Asst. Director of Transportation two years ago. She was promoted to Director of Transportation earlier this year. Before coming to BCSSI, Michelle was in the Navy for 20 years as a heavy equipment operator. She has a 28 year old daughter who is a sergeant at a corrections facility and a five year old German Shephard named "Hemi" who is also considered a family member. She enjoys to read and working with older adults. Michelle loves the team work approach of the BCSSI staff.

Missy Miller

Asst. Director of Transportation

Missy started with BCSSI in March. Before coming to BCSSI she owned a pet grooming business for more than 20 years. She and her husband Adam have a daughter who is 21 years old and attends Ball State University. She likes to cook, grill, garden and fish. She enjoys the fun environment at BCSSI and she says everyone is nice to work with even though she has only been a part of the team for a month. She can see the care and compassion for the community.

Missy is pictured at left and Michelle is pictured at right with recently retired driver Jim Stephenson.

OLDER AMERICANS MONTH

AGE MY WAY: MAY 2022

Older adults play vital, positive roles in our communities – as family members, friends, mentors, volunteers, civic leaders, members of the workforce, and more. Just as every person is unique, so too is how they age and how they choose to do it – and there is no “right” way. That’s why the theme for Older Americans Month (OAM) 2022 is *Age My Way*.

Every May, the Administration for Community Living (ACL) leads the celebration of OAM. This year’s theme focuses on how older adults can age in their communities, living independently for as long as possible and participating in ways they choose.

While *Age My Way* will look different for each person, here are common things everyone can consider:

Planning: Think about what you will need and want in the future, from home and community-based services to community activities that interest you.

Engagement: Remain involved and contribute to your community through work, volunteer, and/or civic participation opportunities.

Access: Make home improvements and modifications, use assistive technologies, and customize supports to help you better age in place.

Connection: Maintain social activities and relationships to combat social isolation and stay connected to your community.

For more information go to: <https://acl.gov/oam/2022/older-americans-month-2022>

Do you know the story behind the beautiful quilt that hangs in our lobby...???

The commemorative quilt was made to celebrate BCSSI's 25 years of serving older adults of Boone County & to honor our founder, Margo Corson's dedication to helping our county to age well. Pictured above is Carl Corson, Margot's husband.

A committee was chaired by Mary Marrs & Kathy Leuck developed a quilt design that incorporated programs past & present provided by BCSSI. A group of volunteers brought the design to life. The center block of Margo's silhouette is surrounded by blocks that represent some of BCSSI's services, transportation, in-home services, friendly visitors, The Top of the Hill Band and the little Blue House on Lebanon Street, our first office.

We are grateful to Susan Barnett, Jane Howard, Miriam Husk, Virginia Hussong, Kathy Leuck, Fran Lind, Mary Marrs, Sue Ritz, Betty Tallman, Suzanne Walker, Marcia Wilhoite & Ann Wood for volunteering their time & talent to this beautiful work of art!

The 7th Annual BCSSI Olympics is back and will involve competition for those age 60+ during August 22-25, 2022, with several activities throughout Boone County! Events will include golf, bowling, track and field, basketball shoot, euchre, nature walk or fitness walk, swimming, line dancing, horseshoes, bocce ball, pickleball and table tennis. Proceeds from the Olympics support the mission of BCSSI which promotes independence and provides enriching opportunities for older adults in Boone County.

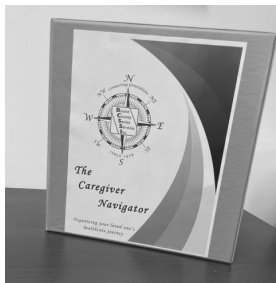

Watch for registration information and a timeline of events in the next issue of the Senior Sounds newsletter.

Event details and the registration form will be available at www.booneseniors.org.

Thank you to Witham Health Services and Homewood Health Campus for serving as the presenting sponsors.

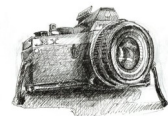

The Caregiver Navigator is a launching point to being a better informed and organized Caregiver. Use this as your framework for gathering and organizing information to create your own Caregiver Binder.

Thank you to our 8th Annual BCSSI Art & Photography Contest Participants & Winners!

Winners will be highlighted in the July/August Senior Sounds.

Artwork will be on display and open to the public to view at the Lebanon Public Library through May 27th.

BCSSI Spotlight Mary Grabianowski BCSSI Volunteer & Board Member

How did you first learn about BCSSI?

I have known about BCSSI from reading the Reporter and from friends. I did not get involved until I joined the Board.

What makes BCSSI special?

BCSSI is a very special organization. It provides a ton of diverse activities to engage Seniors in so many ways. The transportation is critically important for the county. On a deeper level, the personal service care provided allows Seniors to stay in their homes safely – a much needed service. The friendly visitor program helps to keep people connected and social – important for our mental state of mind.

What is your favorite activity to help with at BCSSI?

I like helping with the Health Expo and the Senior Olympics. Both of these activities offer wellness opportunities as well as being lots of fun.

How many years have you lived in Boone County and what makes Boone County special?

I have lived in Boone County all my life – born at Witham Hospital in 1950. It is special to me because I am so rooted here and I have so many wonderful memories and friends.

Your family:

Family: Husband, George Grabianowski (married in 1978); Kids: Kate – husband Matt Lutz and daughter Meara (age 15); Eddie and his three kids – Sophia (15); Ayden (14) and Ben (7).

Profession or former profession if retired:

I retired from teaching Social Studies at Zionsville Community High School in 2016. In addition to teaching US Government and Economics (mostly Advanced Placement classes), I sponsored Student Council, the Senior Class and Model United Nations. I loved teaching, but am so glad I retired before the pandemic!

Hobbies/interests and something unique about you:

I enjoy reading, gardening and cooking. I mostly enjoy being active in the community and trying to make a difference. In addition to being on the Board for BCSSI, I am also on the Board for Shalom and love serving meals, delivering meals and working with the Kids Sack Lunch Program. I am on the Zionsville Plan Commission and find it very interesting to help oversee the growth and development of our community. I am active in my church and feel that spiritual development is a key to our growth as individuals.

What do you want others to know about BCSSI or why should they get involved?

I encourage everyone to participate in the programs that BCSSI offers. If someone is able to help with those programs, has a talent to share, or wants to get a job as a bus driver – we can use your vision and energy.

Dealing with Inflation: Know your numbers

All of us oldsters have been taken aback by the inflation numbers reported recently. Yes, many things cost more at the checkout than a year ago, but how does it affect you, specifically?

What you see on the media is the CPI-U, the Consumer Price Index for a market basket of usual and normal expenditure categories of Urban dwellers. So the 12-month increase (I am using November 2021 numbers from AARP) was 6.8%. But, did you know there is also a CPI-E market basket for seniors aged 62 and above, based on their spending habits? The five big areas of increased consumption on the CPI-E for seniors included gas and energy, vehicle purchases, medical care, drugs, and food.

So how do seniors cope? Plan your driving trips to maximize efficiency. No burnouts or fast braking (uses up more gas). Stay healthy. Buy in bulk if possible. Compare prices. Steaks went up about 10.7% last year, while hamburger held even. Get control of your investments with a trusted advisor. Interestingly, health care and drugs were not at the top of the percentage of increase in cost, the frequency of visits made the difference for the index.

Remember, you can still afford to be a donor! Every tax filer is able to deduct up to \$500 in charitable donations, even if they do not itemize their taxes. Be sure to take advantage of this leverage to remember others who are less fortunate.

~Written by Perry Hammock, CFRE President, Vitruvian, LLC. Perry has considerable experience with the good life, mostly from on-the-job training! He spent 33 years at Ivy Tech, helping donors create and sustain caring legacies. He and his wife Chris are enjoying retirement, traveling and spending time with their grandchildren.
