From the desk of our Executive Director Anita Bowen

My son was off for nearly a month for his first college Christmas break. On the day he returned to campus, he texted me once, twice, three times and then FOUR...with items that he had forgotten to take back with him. As the list grew longer, it seemed more urgent that we were

going to need to make a trip to campus ourselves that same night! One of the items was his slides (shoes) to wear in the shower and that seemed pretty necessary since he's in the dorm and sharing a shower with everyone else on the floor! Another item was his bed pillows and again, I didn't think he'd sleep very well without them which equaled a necessary item in my mind because I'm always preaching to him to get more rest. If his campus destination was further away, of course, we'd have told him to head to the nearest store(s) and make some purchases, but since he's within an hour's drive, we triple checked with him that we had everything loaded up that he (we) thought had been loaded up the first time and made the trek with all the forgotten items in tow.

After making the delivery, I got a text message from our son saying "I miss the smell of our home. I can smell it on my pillows". This really tugged at my heart for a couple of reasons. I, of course, miss my son very much when he is not at home, but it has also been a new, challenging season of life for me and there are other things I am missing. I got to thinking ... it's not that our house smells any better than anyone else's, but it's home to him and it's a comfortable, joy-filled place. We all have that place in our

heart, even if it's not a current place we get to visit that is home. It's truly the happiest place on earth and we try really hard to keep our memory alive for that place and the people who make/made it home – those we love forever who are the most special to us. I am working on this each day and maybe you are too.

At BCSSI, our "home" is your home, and we will do whatever we can on our end to make it comfortable and joy-filled. During January, we were intentional about talking to our guests at Lunch and Learn in both Lebanon and Zionsville to see what things you might like to do? What you might want changed? What you want more of? Less of? That was simply a launching pad for ideas that we hope will come forth during 2023 as we begin working on a new Strategic Plan for BCSSI to cover the years 2024-28. Though we know that life doesn't always go as planned, this tool will be most helpful to continue moving this organization forward so that it can be around for generations to come. You might remember that is our tagline: *Connecting Generations* and we are grateful for those of you who are helping us do that. I can think of a few of you who have invited your children – son or daughter to get involved with us. What a blessing.

Watch and listen for more details to come and please encourage your family members and friends to connect with BCSSI on social media – Facebook, Instagram and Twitter. There's so much happening here.

Until Next Time, *Anita*

BCSSI 2022 Annual Celebration Keeping Life Spinning In Boone County

Anita Bowen is pictured with 2022 BCSSI Board President Marilyn Neese.

The 2022 BCSSI Annual Celebration was held February 15th. Community members and staff celebrated the agency's 2022

accomplishments. Attendees enjoyed a delicious

and meaningful areas of care for our customers and friends...we will call these our music "genres". Together with a number of different community partners and volunteers (many who were present), the team at BCSSI provided access to food, access to support, access to creativity, access to information and learning, access to socialization and access to independence and safety. Many of these programs cross the genres and provide access to more than one of these areas of care...and, some of our programs could qualify for touching all of the areas! I'd like to think that Life Wouldn't be Spinning nearly as well here in Boone County if it weren't for BCSSI and the hundreds of individuals who have poured into this organization during the past year. Today, we celebrate the year 2022 and the fact that we are still finding new ways to make an impact and meeting new people to bring into the BCSSI family nearly every day.

You will find many statistics as well as donor information in our Annual Report and please take a minute to connect with us on social media if you are not already. If you want to be a part of the BCSSI Beat and try to keep up with our Rhythms, that's the place to do it!"

Thank you for your support during 2022 and giving BCSSI the opportunity to serve more than 2000 individuals through a variety of services and programs. To receive a copy of our annual report please contact our office at 765-482-5220 or 317-873-8939 or go to www.booneseniors.org.

breakfast prepared by Jawbone BBQ. This year's theme centered around musical "hits" and Keeping Life Spinning on your turntable and in Boone County during 2022! Anita Bowen, Executive Director, gave her annual update...below is a summary of her remarks. She creatively opened with some fun musical "hits" performed by BCSSI in 2022:

- "Scrubbin' & Dustin'" by the PS Ladies***
- "We'll Take you There" by the BATS Confident Crew***
- "Just Call on Us" by the I & A Band***
- "Hooked on Caregiving" by Jessica & Company***
- "Bus Trips Will Keep Us Together" by "Everyone's Ready to Go"***
- "I'm Leaving for Lunch & Learn" by Did You RSVP***
- "We Can't Smile Without YOU" by the BCSSI Family"***

"Did you have one of these or any other "hit" from the agency on your turntable during 2022? There were certainly many that – indeed – ***Kept Life Spinning in Boone County*** during the past year! As the year played out, we can now reflect on all these hits that represent access to a number of valuable

What's happening at BCSSI...

THANK YOU to Wesley Manor Retirement Center for bringing Ballroom Dancing to our Lunch & Learn! We really enjoyed watching Ryan & Faith twirl around our community room. Some of our attendees also joined the fun!

A special thank you to our Director of Outreach, Jessica Evans who used her creative talent to bring a fun theme and décor to our Annual Celebration “Keeping Life Spinning in Boone County”. Pictured, Jessica is buried in a stack of vinyl records on her desk!

Play is the highest form of research....We conducted a little research with playdough at a recent Lunch & Learn. Attendees used playdough to tell us what programs/activities they would like to see at BCSSI in 2023.

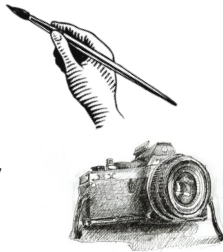

Snowfall rouses your inner child to dream and play once more. Several staff members tapped into their inner child during our February snow fall! Snow...much fun!!!

THANK YOU to Jennifer Lawrence, Executive Director, Boone County Solid Waste Management District, for presenting recycling information and how to pack a trash free lunch at a recent Lunch and Learn. Each attendee also received a new lunch box and tote bag.

Meet Our Staff...Barb Carrell Director of Volunteers & Activities

Barb started with BCSSI on September 26, 2018 as the Director of Volunteers and Activities. She plans activities and events for our senior clients and coordinates

volunteers for several of our activities and the Friendly Visitor program. Prior to coming to BCSSI, Barb worked in Health Care Facilities for more than thirteen years. Before working with older adults she worked at Union and Eagle Elementary Schools, and was a 4-H leader for several years.

Barb has been married to her husband Dennis for 44 years. They have two living children. Daughter Stacy and husband Craig have a daughter Samantha, and a son Lucas. Their son Keith and wife Rebecca, have a son Aiden.

When she is not working for BCSSI, Barb enjoys spending time with her grandchildren, painting with oil and watercolor, baking, crafts, going to garage sales and auctions. Most of all, she enjoys spending time with her family and friends.

When asked what makes BCSSI so special? "All the opportunities for older adults to stay active, and socialize. All the resources that BCSSI provides. The wonderful seniors we spend time with during every activity. I always ask myself who is having more fun....myself or people stopping in for Lunch and Learn, crafts or all the other activities we offer at BCSSI. And, matching Friendly Visitors with clients is so fulfilling knowing we are improving their quality of life."

I am blessed with your kindness, and my heart overflows with gratitude. The robe is very, very beautiful. Everything fits perfectly and I shared the treats. ~Mary Lou Washler (Mary Lou received one of our Christmas Golden Gifts thanks to the Hussey-Mayfield Public Library)

BCSSI Spotlight Baily Hart Volunteer & Foundation Board Member

How many years have you lived in Boone County?

I have lived in Boone County my entire life and I graduated from Lebanon High School in 2004.

What makes Boone County special?

Boone County is special because it provides a small town feel but it is located close to bigger amenities in the larger city.

Your Family: I have been married since 2011 to JC Hart. We have two children, Jordan who is 10 years old and has a brown belt in Karate and Gracelyn who is 7 years old and dances with the Talent Factory. My husband owns a handyman service, "Odd Jobs Handyman Services". My parents live in Lebanon and so does my father-in-law.

Profession: I am currently the Business Development Liaison with Suburban Home Health. I work in a 30 mile radius from Witham Health Services.

How did you get involved with BCSSI?

After I graduated from Ball State University with my Masters Degree in Gerontology, I came back to Lebanon in 2009 to work with seniors in the healthcare industry. I also wanted to volunteer in our community and I knew Sue Ritz who was the BCSSI Executive Director at that time.

How many years have you volunteered at BCSSI? I began volunteering for BCSSI in 2012 and joined the BCSS Foundation board in 2018. I am currently the Secretary for the BCSS Foundation.

What makes BCSSI special? I feel it is important for older adults to remain independent as long as possible. BCSSI is a great fit because they provide opportunities for seniors to remain social well after retirement and remain independent in their home.

What is your favorite activity to help with at BCSSI? I love the BCSSI Olympics and Senior Expo. They bring seniors together and provide an encouraging environment. They also reach out and connect senior organizations.

Hobbies/Interests: Spending time with family and friends and bingeing on Netflix.

Something unique about you? I have traveled to 17 countries and my parents traveled with me!

Welcome to our
newest BATS driver
Dan Erwin!
