Bocoseniors

From the desk of our Executive Director Anita Bowen

More than once this spring, we have found ourselves closely monitoring the weather while severe storms rolled through near BCSSI. One day, while hunkered down in an internal room at our offices, I pondered how thankful I am for

preventative measures that warn us of potential harm. The proactive communication that we were receiving through our weather radio and cell phones, as well as via the tornado siren were necessary and important to our safety.

In a totally different scenario this spring, I found myself also feeling thankful for preventative measures like health screenings and evaluations that are proactive rather than reactive. I want the best health for myself, therefore it is important and necessary that I take advantage of the opportunities that are presented to me to stay well. By the way, if you have been following along from previous newsletter columns, you'll be happy to know that I recently was able to establish a new relationship with a general doctor in Boone County and my first visit went very well! Sure hoping she stays around.

There are so many ways that we try to be proactive and forward-thinking at BCSSI,

too, and your input through the years has helped us to create new programs and activities that are what you and others in Boone County want and need. We like to say that we want people to know about us BEFORE they need us" so that our ability to help goes smoother and is not reactive whereby we regret that we couldn't do something sooner.

As spring seems to have arrived ... as it always does ... we are thankful that more people are joining us to ride on the Boone Area Transit System vans and buses; to reach out for assistance in their home; to connect with our caregiver resources rather than feeling isolated in that exhausting role; to join us for an activity that is keeping them active and engaged with others plus more. But there's still room for others to join in. **If you take our challenge to invite someone new into the BCSSI Family this spring, let me know and I'll have a prize for you.** You all truly are our *BCSSI Ambassadors*, and we are thankful for you.

Don't forget that the best way to keep up with BCSSI is through social media – Facebook, Instagram and Twitter. These tools are especially important when we need to make a schedule change or share other important and necessary information like when our power is out, and the office needs to close/programs need to be cancelled or changed due to severe weather. We don't want you to miss a thing.

Until Next Time, *Anita*

What's happening at BCSSI...

Thank you to our dear friend and local Pharmacist, John Cowan for speaking at a recent Lunch and Learn about Medicare Drug Plans. John (along with his sister LuAnn) is a Pharmacist and owner, of Cowan's Drugs and Parkside Pharmacy in Lebanon. They have also hosted several pharmacy interns over the years. He is pictured with two students from Purdue and Butler. Thank you to Homewood Health Campus for sponsoring the lunch.

We enjoy our 1st Friday Sip & Learns with the Zionsville Fire Department. Recently, we learned about fire department traditions & ceremonies with firefighter Brett Havlin. The bagpipe has become a symbol of mourning for fallen heroes, especially firefighters and policemen, brought to the United States over one hundred and fifty years ago by the Scottish immigrants.

Clayton Shelburne, aka the Blanket Man, delivered more, beautiful, hand-tied blankets for our clients. Clayton has made more than 300 blankets and distributes them throughout our community. Clayton was our 2021 BCSSI Volunteer of the Year! Thank you Clayton for blessing our clients!

Some bunny loves you! We loved celebrating the Easter holiday with Mystery Games and Goodies with Brenda Fisher who hosted an Easter egg hunt and Classy Crafters who made an adorable Easter Bunny craft with Diana Miller.

We had a dog-gone good time making new friends with “Rock” & puppy “Roxie” from the Chicken Nugget and Gang, Inc. at a recent Lunch & Learn!!!! Our friends at CrownPointe Assisted Living Facility deserve a round of a-paws for this sponsoring this fun luncheon!

Chicken Nugget and Gang, Inc. takes in small animals that have been abandoned or surrendered. They work with The Humane Society of Boone County and The Animal Control Officer for Boone County Sheriff's Department when they need help, specifically in urgent cases. They have the animals vetted, and then make them available for adoption. For some of the animals that have been through a really rough time, they have decided to keep them at their small sanctuary. www.chickennuggetandgang.com

Mark Wallis from Grand Brook Memory Care and Maria Holmes and Jennifer Lovell Buddenbaum from the Alzheimers Association hosted our recent Lunch and Learn. They shared techniques for Communicating with those who have Alzheimer's. Lunch and Learn provides a friendly environment to meet new friends, catch up with current friends, and learn something new while enjoying a free meal. Turn to page 8 and 10 to see the upcoming topics!

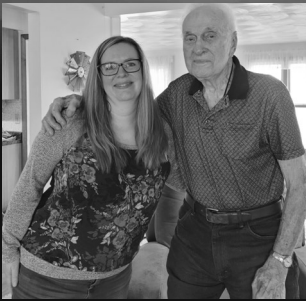

We had the best time at the first ever Donut Decorating Party with our friends at Titus!! A perfect way to celebrate St. Patty's Day! Thanks to our amazing sponsor Kelley and Whitlock Place for making this possible. If you missed out, there will be more fun springing up soon...

Sometimes we need someone to simply be there.

Not to say anything or fix anything, but to let us know they're on our side, and that they care for us.

BCSSI Friendly Visitor Teresa Trenary with new friend Don Wolfe.

“Your group is amazing! I am so very grateful for the care that you gave my mom. Because of you, she was able to live alone and remain in her home until she was nearly 99. Everyone was so kind to her. Your transportation team looked after her and got her to her appointments safely and in such a caring manner. Mom likes being independent and your team treated her with dignity. Having her house cleaned was such a treat for her. With us living out of town, it was a blessing to know that someone was checking in on her. THANK YOU for all that you do! You make a huge difference! Please know how much you are appreciated! Mom lives with us now and is doing fine. She is 101.”

Meet Our Staff Robin Moffitt

Robin started with BCSSI in May, 2014. She is an office assistant and helps support transportation. She performs a wide variety of office tasks and is always willing to lend a helping hand wherever she is needed. Before coming to BCSSI, Robin was a nurse for 41 years. She started immediately upon graduating from Ball State University.

She enjoys spending time with her family which includes her 84 year old mother Pat, her brother Jay, who lives in Chicago, and her daughter Emily and son in law Micheal, and her four grandchildren Luke, Easton, Harper and Gunnar. Robin was married to the late Ed Moffitt, who drove for BCSSI for several years, and she has a second daughter Lindsay who has passed.

Robin spends her free time traveling to her grandchildren's sporting events, working out, collecting pottery, walking, reading and going to the "GW" (Goodwill)! She is also known for her compassion for others and her sense of humor which is always enjoyed by the office staff.

When asked what makes BCSS special? Robin stated, "I enjoy everyone I work with and the laid back atmosphere of the office. I love helping our clients meet their needs."

OLDER AMERICANS MONTH

AGING UNBOUND: MAY 2023

Older Americans Month (OAM) is celebrated every May. Led by the Administration for Community Living (ACL), OAM is a time for us to acknowledge the contributions and achievements of older Americans. This year's theme, *Ageing Unbound*, offers an opportunity to explore a wide range of aging experiences and to promote the importance of enjoying independence and fulfillment by paving our own paths as we age. This May, is the 60th anniversary of OAM. Here are some ways we can all participate in *Ageing Unbound*:

Embrace the opportunity to change. Invite creativity and purpose into your life by trying new activities in your community to bring in more growth, joy, and energy.

Explore the rewards of growing older. With age comes knowledge. Continue to grow that knowledge through reading, listening, classes, and creative activities.

Stay engaged in your community. Stay active by volunteering, working, mentoring, participating in social clubs, and taking part in activities at your local senior center or elsewhere in the community.

Form relationships. Invest time with people to discover deeper connections with family, friends, and community members.

A Special Thank You...

Georgia Kreil, pictured at left, is a long time supporter of BCSSI and the BCSS Foundation. She also uses BCSSI Transportation to travel to her medical appointments within the county and surrounding communities such as Carmel and Indianapolis. She and her Daughter, Taffy Day, recently traveled together to her medical appointment and had the opportunity to have Craig McDaniel as her driver. "He is so nice and we very much enjoyed our trip together that day and the chance to talk. It is such a wonderful service in our community and to be able to call when we need it the most. Everyone is so kind and helpful."

Additionally, Georgia needed special transportation to her husband George's funeral and to the cemetery. The family also used the BCSSI community room for the bereavement dinner. BCSSI received a

special note from her daughter Taffy on behalf of the George Kreil family...

"Thank you so much for making sure my mom's day went smoothly the day of my dad's funeral. I don't know how we would have gotten her to the cemetery and then back to BCSSI afterward for dinner without you. The call I made for help to you was last minute and you made it all work with love and kindness! And of course, the community room is a wonderful place to have available for events like my dad's dinner. I love you all and want to thank you again!"

Georgia is also a generous donor to the Foundation. "It is nice to receive or give flowers but to give a monetary gift to the Foundation is great and important to do".

The Foundation is grateful for the support of the Kreil and Day families. Taffy, who is a former Foundation Board President, and her husband Steve, are frequent donors as well.

Supporting the Boone County Senior Services Foundation through an annual gift or a Legacy gift will ensure that BCSSI services and programs continue well into the future for families like the Kreils and others in Boone County.
