## From the desk of our Executive Director Anita Bowen

As I wrap up my 10<sup>th</sup> year at BCSSI, I decided to look back on the very first column that I wrote back in February 2013 to see what my thoughts were at that time and whether much had

changed in ten years. Indeed, I was able to locate the column and...here's what I found:

- ◆ BCSSI team members all still like their work, and you can see and feel it in the way they take care of their customers and other community members, not to mention, the way they care for others on the team, too.
- ◆ Partnerships are still the way to do business. We can simply do more together when we have like goals and ultimately all want to take care of Boone County individuals and families to give them the best quality of life.
- ◆ We are still listening to what the community wants and needs. As of January 2024, BCSSI has a new Strategic Plan. That Plan will go through 2028 and has several items included that have come from input from the BCSSI Family, including customers. More details about the Plan will be shared in future Senior Sound newsletters.
- ◆ Volunteers are still a key to our success. We believe that BCSSI offers volunteer opportunities that include good variety and

are rewarding for all. If you are looking for a way to step up your involvement in this New Year, please contact us.

- ◆ All of us are still aging. If you are reading this newsletter, you've been given the chance to celebrate another year and we look forward to engaging with you in some way – or many ways during 2024.
- ◆ I still LOVE my “job” and am so very grateful to have the opportunity to help connect the generations through Boone County Senior Services, Inc. (BCSSI). Each year, there are peers from other counties and states who comment on how fortunate we are to have an organization like BCSSI here and I sure agree! So MANY people have poured into this organization through the decades to make sure we are strong and remain that way for the future. We have much to be thankful for.

Bottomline after my column comparison is that while many things in Boone County have changed including the great growth in population and rebounding from a global pandemic, our mission is still the same: *to promote independence and provide enriching opportunities for older adults in Boone County, and to provide safe and reliable transportation for people of all ages through Boone Area Transit System.* Other than that, I'm simply 10 years older and still enjoying writing this little column. Thank you for reading.

Until Next Time, *Anita*

# What's happening at BCSSI...

We were honored with the Boone County Indiana Sheriff's Office, Sheriff Tony Harris Star Award, for our assistance with the Thanksgiving Meals. We are grateful for the recognition and even more grateful for their partnership & support.

We are thankful for all kinds of community partners, including the relationship we have with the Boone County Commissioners! As the grant recipient for the INDOT Public Transit Program for riders of all ages, we wouldn't be able to operate Boone Area Transit System (BATS) without them. Thank you to Commissioner Beyer for visiting and learning about the latest updates on all things transit!

Thank you to ALL who contributed to our Holiday Silent Auction fundraiser! We offered more than 90 items and profited nearly \$7,000 to support our mission at BCSSI. THANK YOU!

BCSSI welcomes new Personal Service attendant Tammy Tallar to our team! Congratulations on your recent certification from the Indiana Association of Home & Hospice Care.

Lunch and Learn on the Road traveled just over the state line to love on the reindeer...and enjoy the amazing Reindeer Ranch! Everything was top notch from the reindeer, to the home cooked food, fabulous entertainment, delightful decor and cozy gift shop. Big thanks to Homewood Health Campus for this special, festive day, and to Imperial Travel for the great new bus! The 2024 Lunch and Learn schedule is coming soon!!!

There was a whole lot of JOLLY going down at the Zionsville Town Hall at our Lunch & Laugh with entertainer Jennifer Johnson in December! Great crowd!! Thanks to The Stratford for sponsoring the lunch. Lunch and Learns (and sometimes special Lunch and Laughs) take place on the second Friday at noon at the Zionsville Town Hall. Turn to pages 8 and 10 for more info!

No this isn't the Hallmark Channel... Just our BCSSI Travel Group starring in their own version of "A Biltmore Christmas." Turn to page 11 for more details on the next Travel Group trip.

Muffins & Masterpieces participants Ulrike Smith and Sam Vickery proudly display their adorable snowman water color paintings; just in time for the winter season! Thank you to artist Shirley Luttrell for leading the class and CrownPointe of Lebanon for sponsoring this special holiday activity.

# Happy New Year from BCSSI!

Our team wishes you health and happiness in the new year ahead! We hope you will make it a goal this year to join us for one of our many activities or programs. We have an amazing year planned!

## Making A Dream Come True.... Luther Ray's story with Boone Area Transit

Just before noon on Tuesday, October 17, Luther and Sandra Ray waited anxiously for the arrival of the BCSSI van that would be integral in making a long-awaited trip become a reality.

Luther had long desired to visit the Indianapolis Motor Speedway (IMS) and view the improvements Roger Penske implemented since purchasing the property in 2019. Luther was employed by the IMS for 37 years, having retired in 1997. At 93, he is confined to a wheelchair and needed a transport van that handles wheelchairs.

After many months of research, they could not locate a van that could transport Luther. Then one day, a copy of the Senior Sounds was discovered with information about BATS, Boone Area Transit System. Contact was made with Stacie Boyer, Co-Director of Transportation and a plan was put into place and Mr. Mark Farris would be the driver for the special trip to the IMS.

In the meantime, arrangements were made with the IMS for the memorable visit and tour.

Mr. Farris was very punctual upon arrival in the BCSSI van and Luther and his wife, Sandra, also a former IMS employee, were settled into the van. After a short drive to the Speedway, the Rays were met by former co-workers and friends who joined them on the tour. They loaded into an IMS van with

an IMS Tour Bus Guide. They enjoyed a "Kiss The Bricks" tour with a lap around the track and a stop at the yard of bricks.

Mr. Ray shared many memories of his time at the IMS including a memory of A.J Foyt helping him when he had an encounter with rowdy track fans. This act of kindness etched in his mind still today. Mr. Ray learned about many of the improvements that Mr. Penske has made and noticed many

Pictured is Sandra and Luther Ray with IMS Tour Guide Gary Wilkerson, Terry Gunter, Micheal Kessler and Maurice Kessler.

changes on his trip. He toured the backstretch of the maintenance building he used to frequent, the new oval dirt track and the new performance building and the removal of the old scoring tower just to name a few.

Mr. Ray was also treated to a free tour of the museum at the end of his trip.

As the BATS van departed through the tunnel exiting the track, all agreed it would be a day long remembered by everyone present. A special thank you to Stacie Boyer and Mark Farris of BCSSI for making a 93 year old man's dream come true.

**Thank you to Luther's friend Maurice Kessler for journaling the details above of this memorable day and capturing such beautiful pictures. Thank you for your support of BCSSI and BATS and it is our honor to help Luther's dream come true!**

BCSSI offers a variety of **FREE personal equipment** such as walkers, canes, wheel chairs, shower benches, toilet seats & more.

## Dear Interested Parties:

I wanted to thank you for the October 7, 2023 shindig.

I came early, around 9:30ish (a.m.) and had fun visiting all the booths, seeing the freebies and taking something at several booths. At the very last, I decided to spin the wheel for the \$2.00 bill, and I got one! I felt like a kid with a prize! I enjoyed the candy, Kleenex and all other prizes gifted to us. What a lot of

fun...and I have enough ball point pens to last me until next year!!!

I sat in the very front row (near the Expo stage) and listened to music. That Greg Anderson is so very, very talented, but I

was amazed that when he would start playing the music on the keyboard, I remembered most of the words! Amazing—

especially after years and years of not hearing it.

But, my older sisters, who were 5 and 7 years older than me, were always playing the phonograph, the old kind where you picked up “arm” and set it to the correct

groove to play the music. And, you wound it up so it would cause the record (holder) table to go around and around.

And, so I lived in yesteryear, and enjoyed each piece Greg Anderson played. I didn't try for any of the vaccines since I had them all except Covid, and my husband and I will go for that this Monday.

What a wonderful time I had living in yester-year — the music wasn't too loud or too soft—just right for a sing-along.

Ahhh! Memories! I am 82 years old and my older sisters, 87 and 89 are both in heaven and have been for several years. Also my parents, but Oh, Oh, I find myself singing some of those oldies as I do dishes or sweeping floors, etc. Who would have thought I would remember the words and music to those oldies????!!!

**Thank you for a wonderful, wonderful yesteryear time. I so love it and cherish it. ~Bev Shoemaker**
