LEGACY

Summer 2025

“BCSSI offers a place to meet new people and create lasting friendships.”

Gerald and Donna Newman have been attending and enjoying BCSSI activities and

programs for almost a decade. They also volunteer for the Friendly Visitor program and help assemble the Senior Sounds newsletter mailing. “We are thankful to do the things we do and see everyone’s smiling faces at BCSSI. If you are having a bad day, it perks you up and the staff members truly care about people,” stated Donna. “I have enjoyed meeting new people and creating lasting friendships. If you want to have friends, you have to be a friend and BCSSI provides that for us and many others,” stated Gerald.

Gerald and Donna would like others to know that not only is BCSSI a good place to meet new people, but the organization is helping meet the needs of our community by offering such a wide variety of activities and services. “It takes a village and BCSSI is an important part of our village and we want others to get involved with BCSSI because they are meeting the needs of so many individuals in our community,” stated Gerald. The Newmans regularly attend Lunch and Learn, Brunch and Learn, Theater Thursday, Crafts and Mystery Trips. One of their favorite activities is the BCSSI Olympics. Donna shared that one of her fondest memories from the Olympics is when she and her cornhole partner won a gold medal. Donna also participates in the nature walk and Gerald has enjoyed bocce ball and cornhole.

Gerald and Donna are life-long residents of Boone County and both were born in the old Witham Hospital. Gerald graduated from Lebanon High School and Donna graduated from Dover Jr./Sr. High School. They have two children and four great, grandchildren.

Thank you to the Newmans for volunteering and enjoying our diverse offerings and activities.

Through your donations to the Foundation, we can ensure that BCSSI will continue to offer services and activities for not only the Newmans but many other Boone County residents for years to come.

The Foundation is a 501(c)(3) non-profit organization and your donation may be tax-deductible. We welcome donations of all sizes. Thank you to our donors for your generosity.

“Our family is honored to support the Boone County Senior Services Foundation, an organization that plays a crucial role in enhancing the lives of senior citizens in our community. By contributing, we’re helping to ensure they have access to the resources and care they need. It’s a small way for us to give back to those who have shaped our community.

3 Compelling reasons to designate your life insurance policy to a charity:

1. Create a Lasting Legacy

Designating to a charity, like the Boone County Senior Services Foundation, Inc., ensures your values live on by supporting a cause you care deeply about. The proceeds from a life insurance donation can be used for future projects and expansion of programming, providing long-term stability and funding for the mission. Even a modest policy can create a significant impact after your lifetime, funding programs or endowments that continue your charitable vision.

Legacy Giving is an Act of *Love*~

The Foundation Board honored Rosa M. McDaniel-King, long-time community member, volunteer, business owner, and generous donor with a special tribute of an engraved leaf on our Legacy Tree. Her gift to the Boone County Senior Services Foundation ensures that older adults in our community will continue receiving vital services for years to come. Thank you, Rosa, for your lasting impact and your heart and love for others.

2. Tax Benefits for Your Estate

If your estate is subject to estate taxes, naming a qualified charity as the beneficiary of a life insurance policy can reduce the taxable portion of your estate. This may help preserve more wealth for your other heirs while benefiting a good cause.

3. Maximize Your Charitable Impact

Life insurance allows you to make a much larger charitable donation than you might be able to give during your lifetime. For relatively low premium payments, you can ensure the charity receives a substantial benefit after your death.

Note: It is crucial to consult with a financial and tax advisor to ensure optimal benefits and that your donation aligns with your personal goals.
